## **Money Saving Tips**

### **For pet owners!**

Worried about the rising cost of your pet's food, vaccinations, medications, and more? You can easily cut your costs by hundreds, even thousands, assures Miami veterinarian Patty Khuly, V.M.D., founder of [dolittler.com](http://dolittler.com).

She advises:

- **Shopping around for meds!** Sign up at Walgreens' Prescription Savings Club ([walgreens.com](http://walgreens.com)) a discount medication program that allows you to register your pet as a dependent, and receive \$4 antibiotics and discounts on some commonly prescribed pet medications, including insulin and hydrocortisone.
- **Buying foods in bulk!** It can immediately cut your food bill by 20%, 30%, even 40%. Stored in airtight containers, dry food keeps for up to three months in cupboards or up to a year in the freezer.
- **Replacing storebought treats with human snacks!** Apples, carrots, bananas, berries, turkey, and other pet-safe foods are cheaper and more nutritious! But, not all human foods are safe for animals – for instance, dogs shouldn't be given grapes, onions, nuts, or chocolate. Ask your vet which foods are safe for your pets.
- **Vaccinating every three years instead of annually!** Although pets still receive annual checkups, yearly shots are rarely necessary since most vaccines last up to three years. Check with your vet.

## **This about says it all..... Just a Dog**

From time to time, people tell me, "lighten up, it's just a dog," or, "that's a lot of money for just a dog." They don't understand the distance traveled, the time spent, or the costs involved for "just a dog."

Some of my proudest moments have come about with "just a dog." Many hours have passed and my only company was "just a dog," but I did not once feel slighted.

Some of my saddest moments have been brought about by "just a dog," and in those days of darkness, the gentle touch of "just a dog" gave me comfort and reason to overcome the day.

If you, too, think it's "just a dog," then you will probably understand phases like "just a friend," "just a sunrise," or "just a promise." "Just a dog" brings into my life the very essence of friendship, trust, and pure unbridled joy. "Just a dog" brings out the compassion and patience that make me a better person.

Because of "just a dog" I will rise early, take long walks and look longingly to the future. So for me and folks like me, it's not "just a dog" but an embodiment of all the hopes and dreams of the future, the fond memories of the past, and the pure joy of the moment.

"Just a dog" brings out what's good in me and diverts my thoughts away from myself and the worries of the day.

I hope that someday they can understand that it's not "just a dog" but the thing that gives me humanity and keeps me from being "just a human."

So the next time you hear the phrase "just a dog," just smile, because they "just don't understand."
