UNDER THE BIG TOP AT THE HIPPODROME

This last September 19 & 20, 2020, with much anticipation and *with fingers crossed* the Pacific Coast Bulldog Club ventured into unknown territory. The club bravely moved forward with its specialty show, under the direction and leadership of President, Lalaine Policar and a compliment of wonderful club volunteers. Together they ensured its success without compromise to the sport and our safety.

Amazing to witness was the steadfast dedication needed to undertake the orchestration of a specialty show under the constant pressure of incorporating COVID safety measures; i.e., mandatory attendance tracking information sheets, temperature taking, sanitary foodservice, and legal waivers. This was not an easy task. Nevertheless, it was achieved with flawless composure thanks to our two Show Co-Chairs Dennis Balang and Lalaine Policar. Elizabeth Coates did a wonderful job processing the entries and payments for entries.

Long-time veteran Ring Steward, Lesly Dehass was at the helm of the show steering everything in the right direction. As one can only imagine the position of Show Secretary can be intimidating: coordinating the flow of the show, tracking the entries, memorializing the results, prompting competitors back to the ring. Meanwhile, tensions run high to get everything perfect after months of being out of practice. This is done under the surveillance of every critical eye in attendance.

Nevertheless, Lesly once again managed to embody excellence in motion making it seem easy. We thank her for making the trek from Malibu, we appreciate you.

As for the Los Alamitos Race Park a huge debt of gratitude for hosting our specialty show. The venue could not have been better. We thank you for the use of the wonderful tent, manicured lawns, and coordinating unfettered access to the field making the venue accessible to one and all. We thank the Los Alamitos Race Park representatives, Cathy Monji, Frank Sherren, Orlando Gutierrez, and of course race park owner Dr. Edward Allred for their generosity and kind attention.

A special thank you to Mr. Don Yancy of the Los Alamitos Seventh Day Adventist Church in allowing the use of their rear parking lot which originally was not part of the venue. The Church out of their sense of generosity and community saw fit to share their facility on the day that their parishioners use the facility. Thank you for your kind attention.

Link Newcomb, we have you to thank for using your long-standing relationship with the track to secure their blessing for its use. You *put it all on the line* by cashing in your goodwill with the Los Alamitos Race Park. You convinced them to take a chance on our event when no one else would. Your effort resulted in one of the best venues that our club has had the good fortune to secure. It was ideal, nothing better could be imagined. We thank you for taking a chance on us and we hope that we made a favorable impression with your race park family making you proud that you are part of this club.

Of course, we thank our judges that honored us with their presence, their dedication to the breed and sport when others may not have ventured to do so under the circumstances. We thank judges, Teresa McDermott, Zachery Lane, Judy Dorough, and Mitch Fozmore for making this event a success. Their participation was a ray of light in what has been a dark period for all of us... We thank you.

WELCOME BACK, THE SHOW MUST GO ON!!!

Readily apparent at the specialty show was that it's not all about the dogs. It's about community and friendship, as well. It was great to see enduring friendships picking up where they left off so many months ago. I must admit that I was nervous with anticipation to see who would show hoping that no one would be discouraged from attending.

Nice to see people talking with one another visibly enjoying the moment even if only at a distance. We all got to realize a brief respite from all the problems in the world. The problems have felt like an undeserved exile from what we love to do and the people we love competing with. Hopefully, this exile will soon become a distant memory as we get back to competing in the fancy. Even a 5 plus magnitude earthquake in the wee hours of the morning of the first day of the shows could not hold back the event.

We can only hope that our sister clubs up north getting ready to have their first shows will achieve equal success. Let's hope that they will have the good fortune of moving forward with their shows set to be held on the weekend of November 7-9 in Lodi. No doubt, our club members will attend in significant numbers, to show our support and dedication to our Division III clubs up north.

JUNIORS...THE NEXT GENERATION

The show by all accounts was a success not only in the ring but ringside as well. For example, the coming together of our junior members, not just the ones competing but those who came along to cheer on their parents on. These youngsters have been for the most part deprived of any company of their age for months. They have been left to fall back on what can only be described as electronic pacifiers. i.e., phones, tablets, and PCs.

It was wonderful to see these young individuals come together and talk to each other making new friends. We had approximately nine children out amongst the crowd, three of which participated in the event and another one who graciously helped assemble the trophies and prizes so that we the adults could enjoy the show. Nine children are simply not enough to ensure the future livelihood of the club but it's a start; after all, we had seven more children attend this show than our 2019 show.

Challenge Trophy Winners

You may or may not know this but every year during our club's annual specialty show the club and its membership takes it upon itself to recognize the most outstanding examples in each class ranging from 6 months to Open class. In doing so the club asks members of the club to sponsor a trophy with the challenge that the trophy be in some manner symbolic to both the owner of the bulldog that performed best in its class. The result is a real challenge for the sponsor in having to honor the task and rise to meet the occasion of giving something meaningful to the recipient. The results and the trophies are kept secret until the day that they are awarded. The result is a wonderful and well-deserved surprise for the winners of each category. This year we reached out through Facebook to our winners to provide us with pictures of their prizes. We provide you with the results for each category and the pictures sent in by some of the winners to share them with you; we hope it pleases you.

Sand to Sea Non-Sporting Association of Southern California proves that it's not over until it says it's over

Normally held under the auspices of the Kennel Club of Palm Springs show the Sand to Sea Non-Sporting Association was accustomed to hold its shows the Thursday and Friday before what was considered to be *the main event*. Therefore, when the KCPS announced that it would be canceling its shows for this coming year 2021, it was taken for granted that the same fate befell Sand to Sea. With its voice and under its power Sand to Sea decided that it would not be canceling its January shows and the unavailability of the polo grounds would be of no consequence. Therefore, from January 8th to the 10th, 2021 the Sand to Sea Non-Sporting Association of Southern California will hold its Dog Show Spectacular. Sand to Sea has set aside Friday 8th of January 2021 for specialty clubs to hold a morning and afternoon show.

Accordingly, on Thursday 1st of October 2021, BCA's DIV. III called an emergency meeting and approved to hold two specialty shows on the 8th of January 2021. One of the bulldog clubs in DIV III was provided the right of first refusal for the afternoon show. If that club does not exercise the right BCA DIV. III shall sponsor both shows. Either way, the news is exciting for those in the fancy.

Where? You ask. This dog show spectacular shall be held at the Willowbrook Equestrian Center & Riding Club ("Willowbrook") which is located just southeast of Desert Hot Springs at 20555 Mountain View Road, Desert Hot Springs, CA 92241. Information will be posted by Jack Bradshaw Superintendents within the coming few weeks. Thank you Sand to Sea Non-Sporting Association of Southern California for keeping the dream alive!
